

About Maple Grove Enterprises

Founded in 2000 by Ted, Phil, Michele and Jen Hobin, Maple Grove Enterprises is a family-owned business that has grown to nearly 30 employees. We specialize in sandblasting and coating, metal fabrication and millwright services to industry. We also provide technical assistance, in-shop fabrication, field installation and 24-hour emergency breakdown service.

Our excellent customer service begins with friendly office staff and extends to the high standards of organization and cleanliness at our facility and how our crews conduct themselves at your facility. We are dedicated to high-quality work and fair and honest pricing in our bids.

Located near Buffalo, NY, we serve all of New York State and areas throughout the Northeast, Mid-Atlantic and Midwest.

*"It is service like this that gives Maple Grove Enterprises the edge over other companies. I would personally recommend them to anyone requiring millwright services."
John Hanson, Blue Seal Feeds*
